HARE RAISING HAVOC

Stunning animation and cartoon-like sounds bring Roger Rabbit, Baby Herman and Jessica to life in this interactive cartoon puzzle. Unique and challenging game play, great animation and a cartoon sound track combine to make Hare Raising Havoc irresistible fun.

STUNT ISLAND

The Flying and Filming Simulation

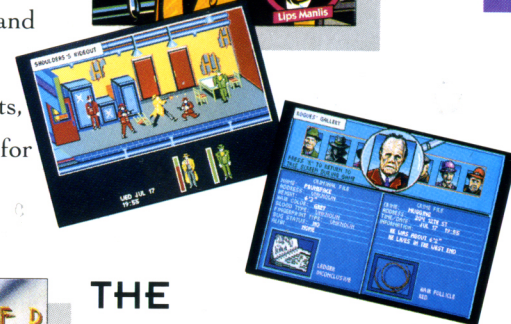

Stunt Island puts you in charge of staging and filming the most exciting and dangerous aerial stunts used in movies today. You'll pilot stunt planes like the Pitts Special and P-51 Mustang as well as choreograph, place cameras, direct and edit your final film. 256-color VGA graphics make it realistic as you fly, film, edit and set to music your own action-packed stunt flying movies.

DICK TRACY

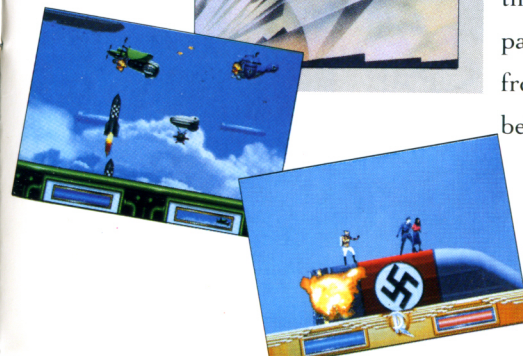

The Crime-Solving Adventure

As Dick Tracy, you match wits with Big Boy Caprice and battle it out with his henchmen in this action/strategy game. Jump into your patrol car and hit the streets in search of clues and informants. Battle thugs guarding criminal hideouts, and haul in crime figures for interrogation.

THE ROCKETEER

Digitized live-action 256-color VGA graphics and action-packed adventure are only part of the excitement. You will race 1930's airplanes and fly the experimental X-3 rocket pack to save your girlfriend from the Nazis. It's not easy being a hero.

ARACHNOPHOBIA

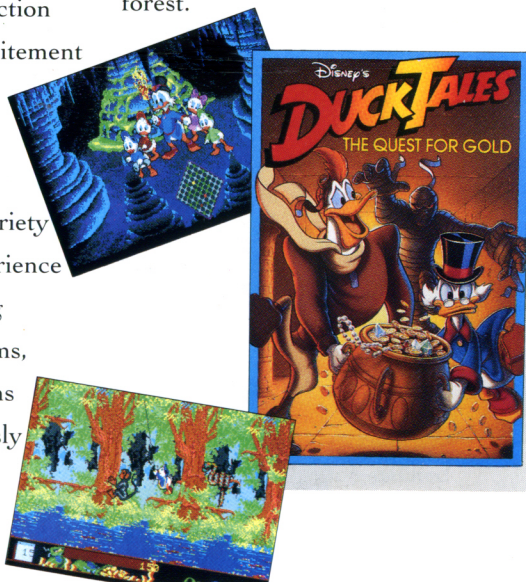

Arachnophobia is an arcade-style action game pitting you against a previously unknown species of spiders that is lethally poisonous, extremely aggressive, and strangely intelligent. The U.S. Department of Agriculture has retained your extermination firm to destroy the deadly Queen spiders and their lethal offspring before they take over the country. Once you have wiped out the threat in the United States, the United Nations hires you to destroy an entire herd of South American spiders in the Amazon rain forest.

DUCKTALES

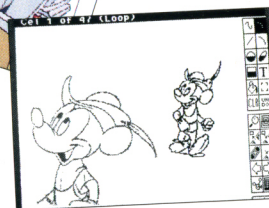

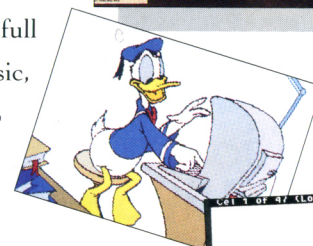

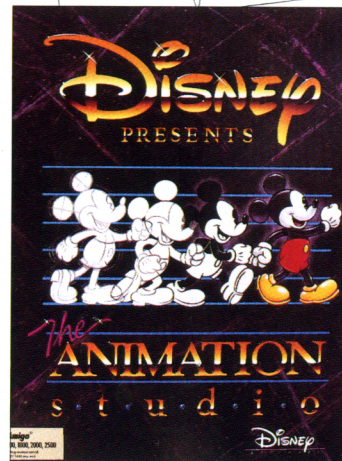

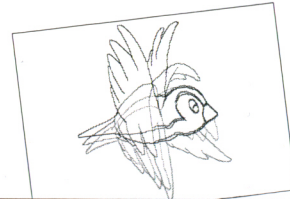

The Quest for Gold

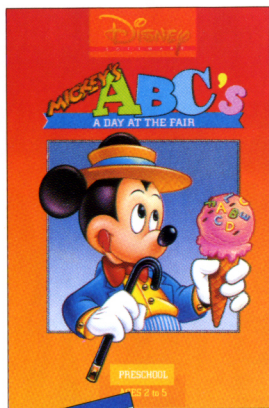

This pulse-pounding action adventure is full of excitement and challenge! In six different games, you'll search for the world's rarest treasures in a variety of exotic places. Experience the thrills of navigating through lightning storms, dodging attacking aliens or plummeting helplessly from the cliffs of the Whatsamatterhorn.

THE ANIMATION STUDIO

The Animation Studio is the only full-featured animation and paint program utilizing state-of-the-art cel animation techniques characteristic of Disney-style animation. The exclusive onion-skin feature allows the user to see the cel they're working on and the three cels behind it. The Animation Studio comes complete with four disks full of Disney animation, music, sound effects and tools to assist in creating exciting animation.

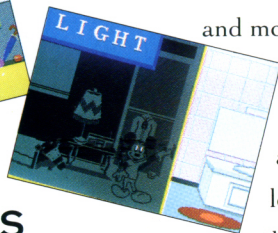

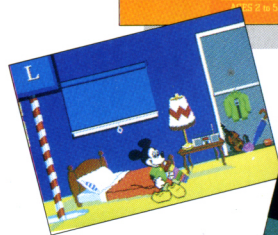

MICKEY'S ABC'S

A Day at the Fair

Preschoolers learn letters and words as Mickey ventures through his house and the fair. Children learn to identify various objects around the house. At the fair, Mickey joins in many fun events and visits the animals. With 10 colorful background screens and more than 80

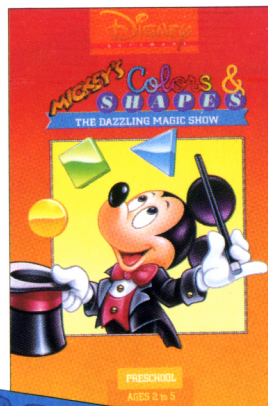

humorous responses from Mickey, Donald and Goofy, children learn the alphabet at their own pace.

MICKEY'S COLORS AND SHAPES

The Dazzling Magic Show

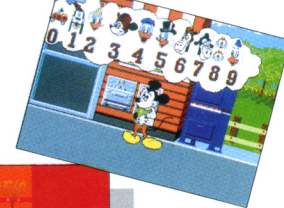

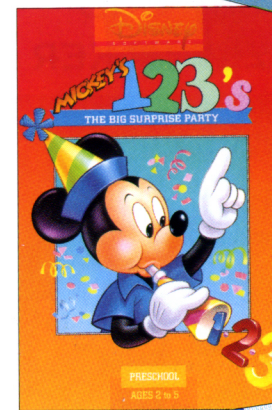

Children help Mickey perform his 3 magic acts as he juggles, pulls animals out of his hat and magically creates pictures made from 5 shapes and 8 colors. This program features 130 objects, 150 responses and children can print up to 35 pictures.

MICKEY'S 1,2,3'S

The Big Surprise Party

Mickey plans a surprise party, and children learn about numbers and counting in this easy-to-use program. With 4 separate locations, 18 background screens and 60 responses from Mickey and friends, children control Mickey's actions as he travels around town to plan the party. And what a party it is, featuring Mickey and 10 other Disney characters.

THE SOUND SOURCE

The Sound Source is a revolutionary accessory that brings compatible software to life with high-quality speech, fully-orchestrated music and real-life sound effects. It simply plugs into the parallel printer port on the back of your MS-DOS computer. The 3" speaker with amplifier allows for a wide range of sounds.

MICKEY'S CROSSWORD PUZZLE MAKER

Children (ages 5 and up), teachers and parents can create, play and print crossword puzzles using Disney characters and backgrounds. Word and picture clues help solve the puzzles while building children's vocabulary and reading skills.

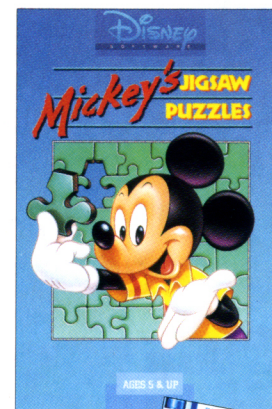

MICKEY'S MEMORY CHALLENGE

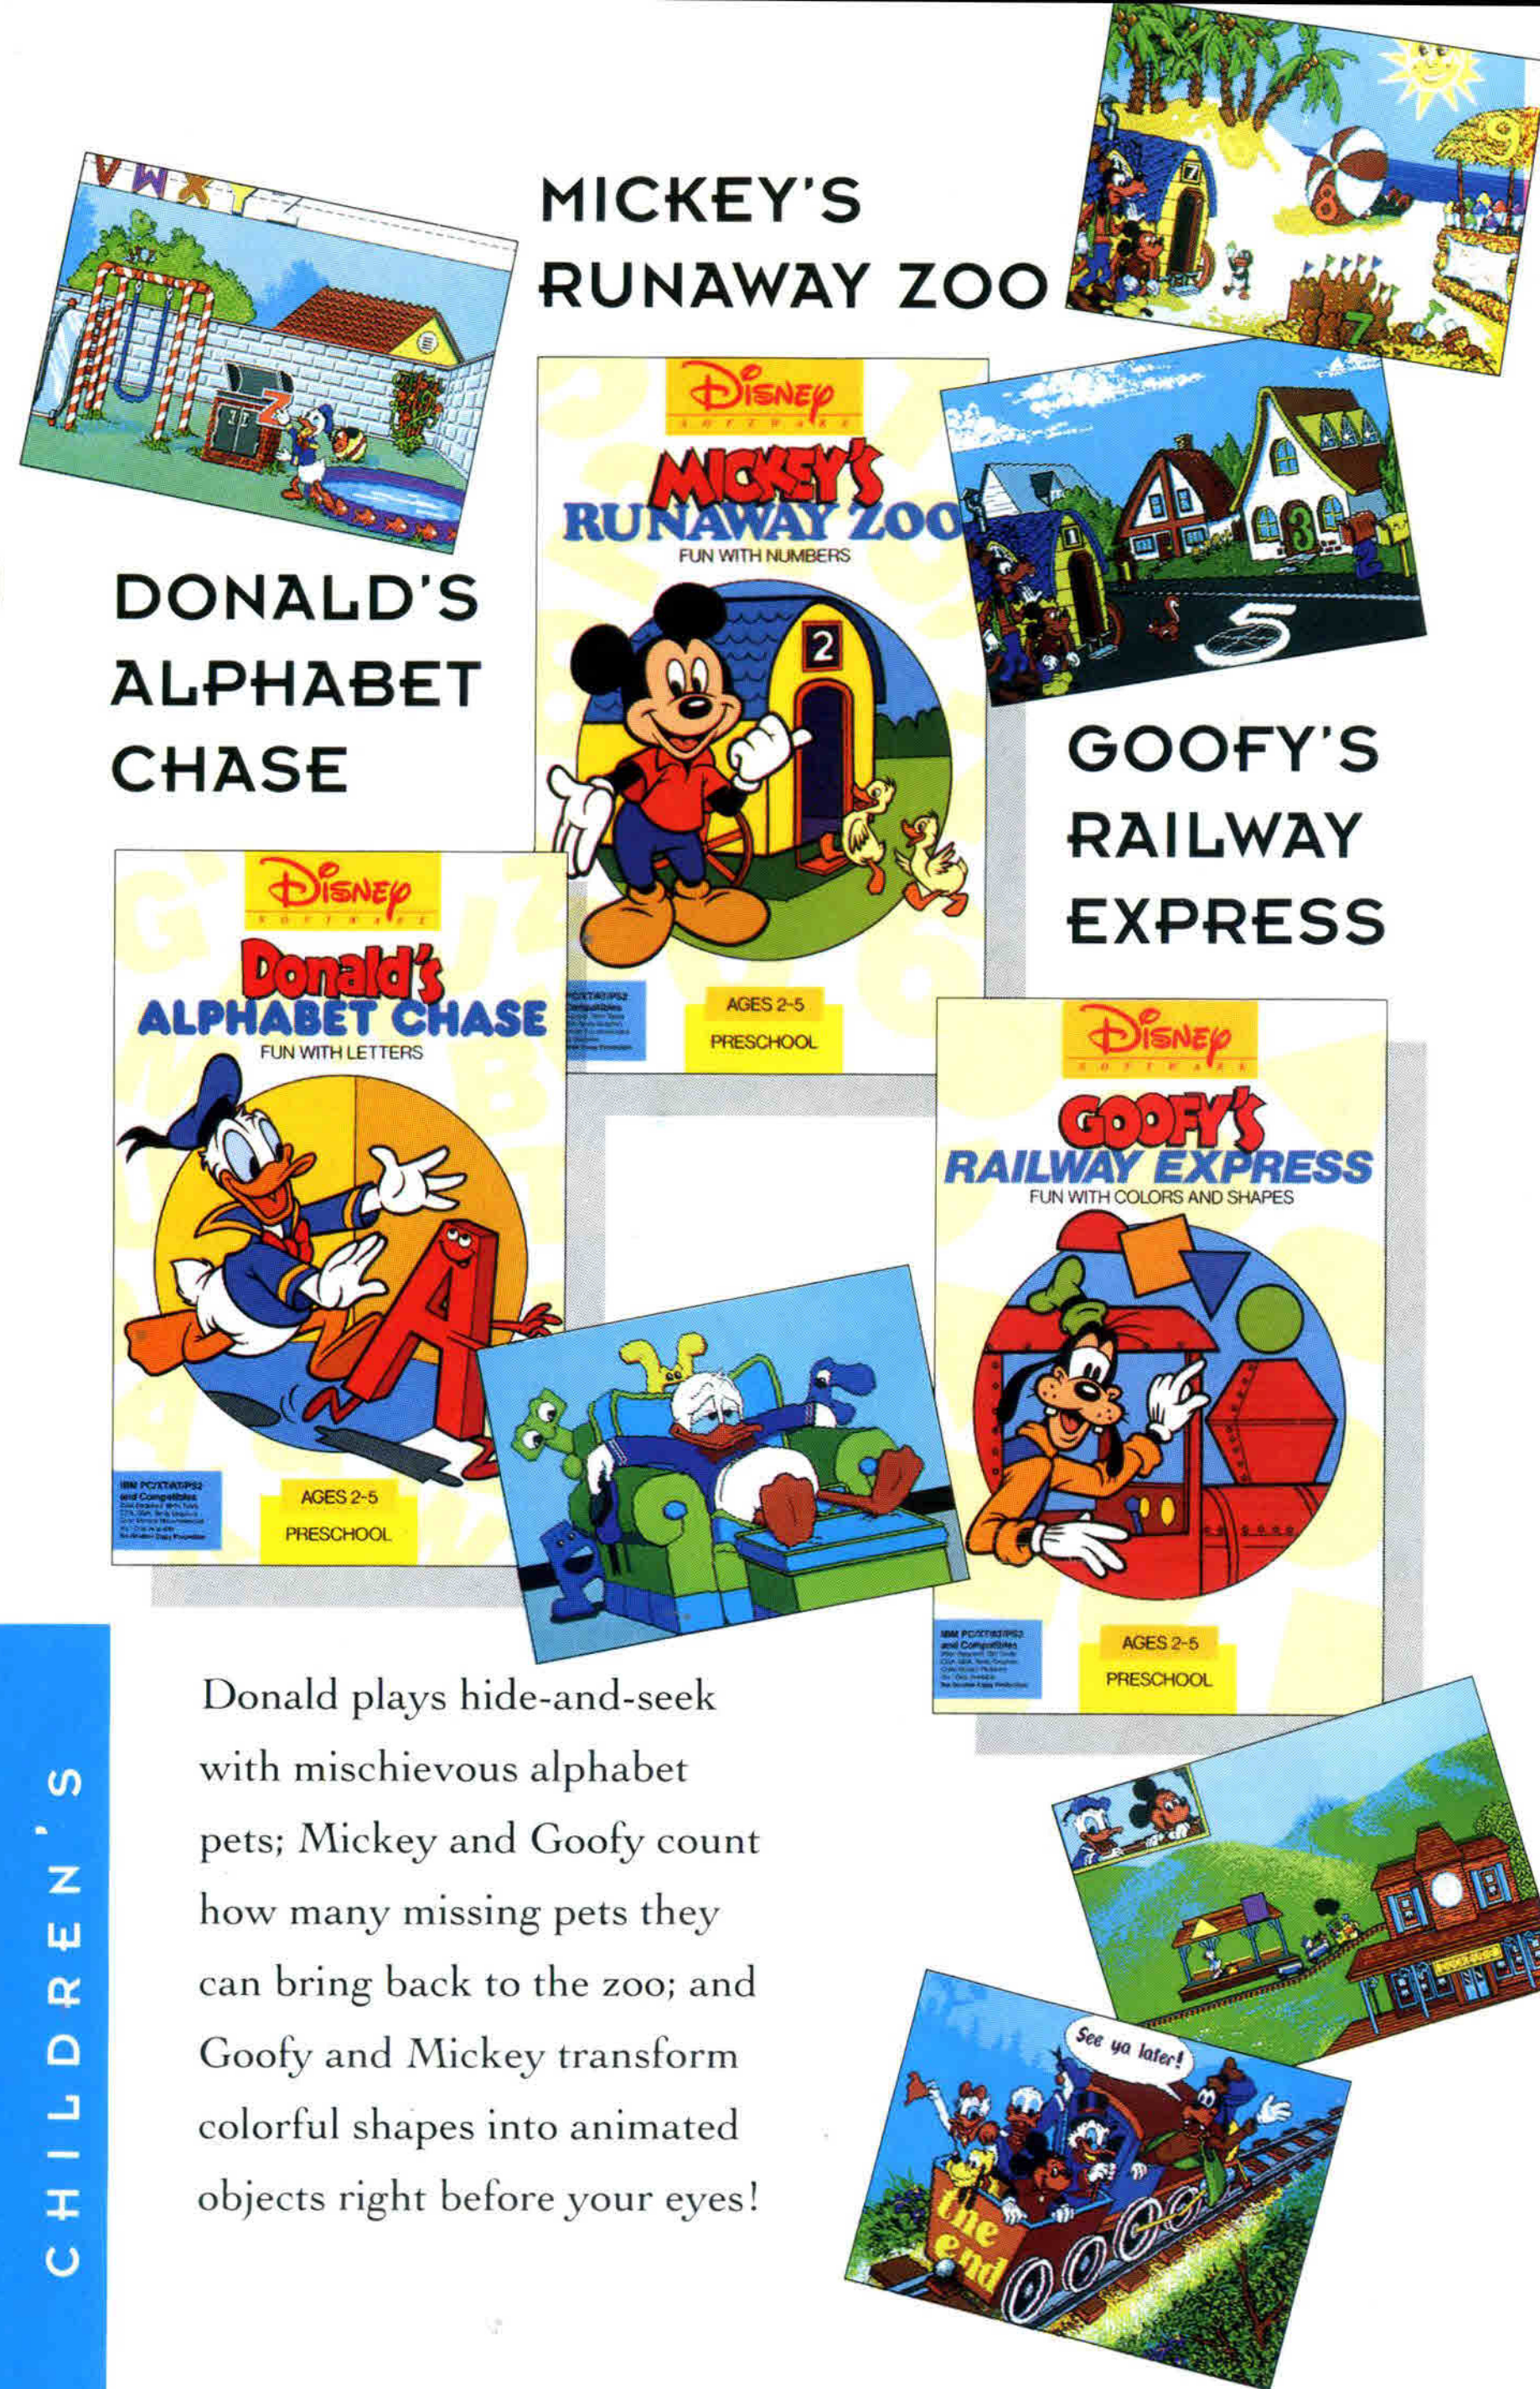

Concentrating is kid's play. Boys and girls (ages 5 and up) are challenged to see if they can match up words, objects or Disney characters. It's a fun way to prepare young children for reading, yet offers helpful memorization and vocabulary building exercise for older players.

MICKEY'S JIGSAW PUZZLES

Mickey and his friends are featured in 15 colorful, animated puzzles. Children (ages 5 and up) can choose from multiple skill levels using 4 to 64 puzzle pieces. All puzzles can be made from square-shaped, silhouette or standard jigsaw shapes for added challenge and fun.

MICKEY'S RUNAWAY ZOO

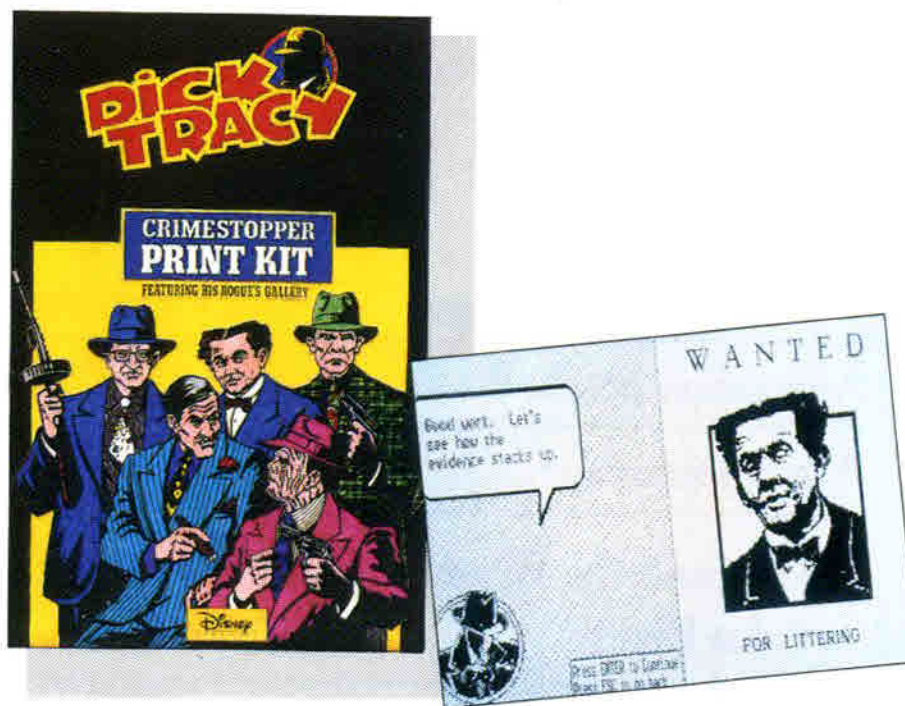

DONALD'S ALPHABET CHASE

GOOFY'S RAILWAY EXPRESS

Donald plays hide-and-seek with mischievous alphabet pets; Mickey and Goofy count how many missing pets they can bring back to the zoo; and Goofy and Mickey transform colorful shapes into animated objects right before your eyes!

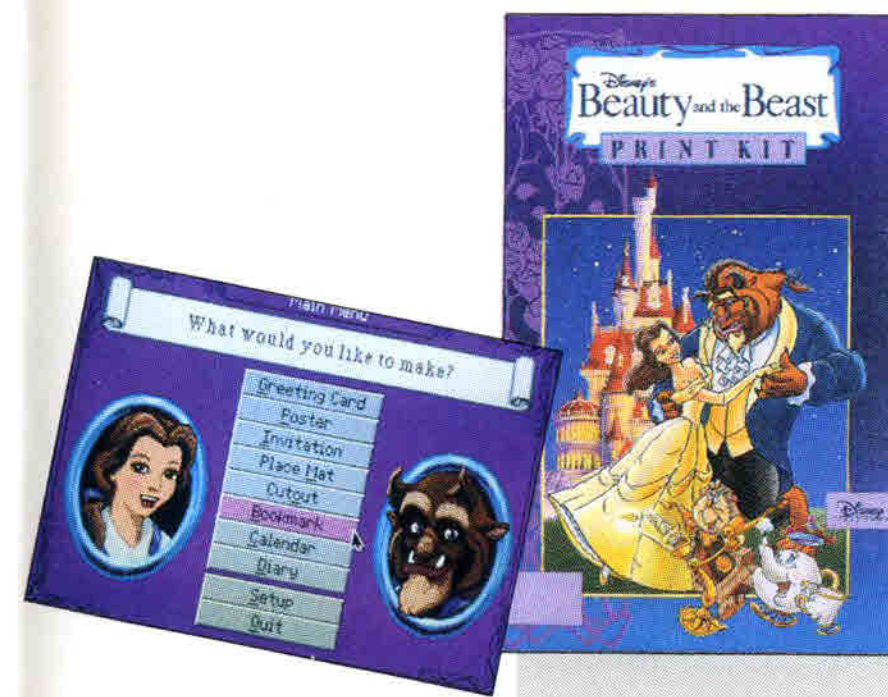

DICK TRACY CRIMESTOPPERS PRINT KIT

Create greeting cards, posters, invitations, placemats and more featuring Dick Tracy, Big Boy Caprice, Lips Manlis and other rogues. All items can be printed in color or black and white.

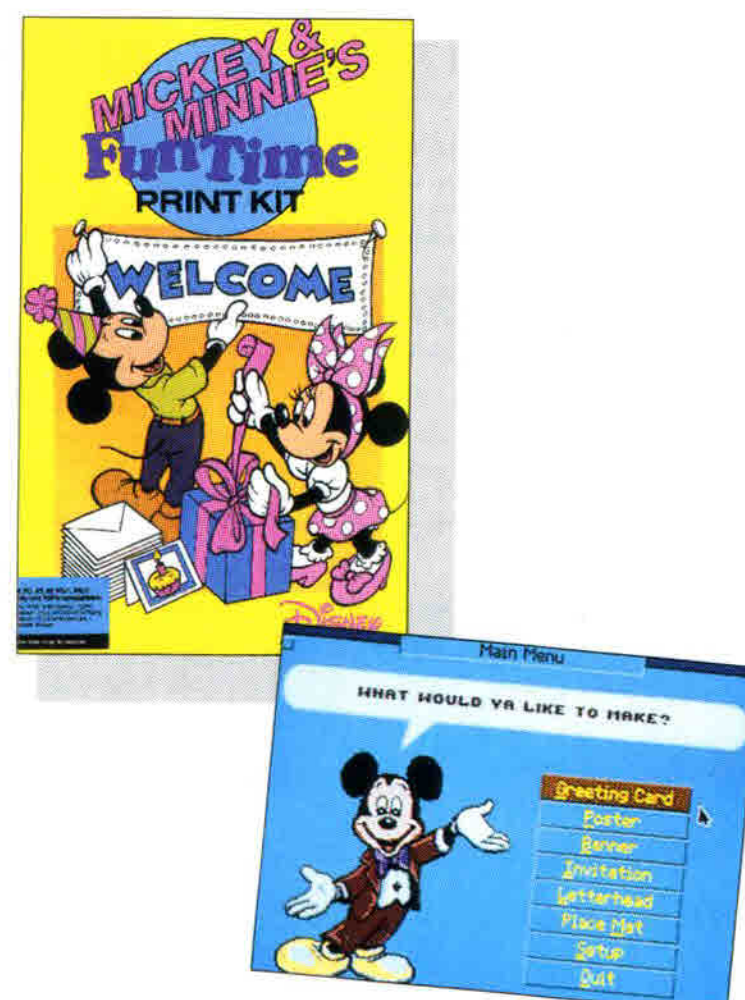

BEAUTY AND THE BEAST PRINT KIT

The enchantment and magic of the movie's charming characters are captured in greeting cards, bookmarks, calendars and diaries that you create and print.

MICKEY & MINNIE'S FUN TIME PRINT KIT

Create and print letterhead, posters, banners, invitations and party decorations using 20 borders and 6 typefaces. Choose from 40 fun-filled pictures of Mickey, Minnie, Pluto, Baby Mickey and Baby Minnie.
